Dear student,

You can find below information about the application procedures for 2018/19 Erasmus incoming students at the University of Salamanca.

*Please take into account that we will not answer any message requesting information already provided or available on our website. In any case, this office will only see **specific administrative questions** that cannot be solved through any of the links offered here. Academic questions must be addressed to the **International Academic Coordinator** at the corresponding faculty or centre.*

### 1<sup>st</sup> STEP: REGISTRATION by nominated students

#### Registration deadline:

**July 16<sup>th</sup> 2018** for ALL STUDENTS (WINTER SEMESTER, SUMMER SEMESTER or FULL ACADEMIC YEAR).

Upon reception of the **nomination sent by the home university**, the University of Salamanca will contact the students by email and send them detailed information about registration procedures. Students **duly nominated** by their home institution must complete the on-line Erasmus Application Form, print it and send it by email to the **International Relations Office**: [erasmus@usal.es](mailto:erasmus@usal.es) , including the following:

- a recent **passport size photograph**
- a copy of the **ID document** or **passport**

The on-line Erasmus Application Form is available on our web site:

<http://rel-int.usal.es/en/> -> "Erasmus" -> "Erasmus Incoming Students" -> "Erasmus Student Mobility for Studies"  
-> "Erasmus Incoming Students Online Application"

This document is a **MANDATORY REQUIREMENT** for the correct enrolment of Erasmus students at the University of Salamanca. Incomplete forms or lacking the photograph won't be considered

### Compulsory Mobility and Health Insurances:

- **Mobility insurance:** all Erasmus students **must** take out the **mobility insurance of the University of Salamanca**, regardless the requirements and / or regulations of the student's home institution on the matter.
- **Health Care:** Students from the **EU, EFTA and Switzerland** are entitled to medical care in the medical centres and hospitals that form part of or have agreements with the Spanish National Health System (Seguridad Social). To be able to use these services, students must apply for the **European Health Card** at the health service offices in their country of origin. Foreign students from **other countries** than the above mentioned or who are not covered by national health plans, must have **private health insurance**.

Students must send, **before their arrival in Salamanca**, a copy of **both documents by e-mail** to the International Relations Office ([erasmus@usal.es](mailto:erasmus@usal.es)) as a **mandatory requirement** in order to **complete their inscription** at the University of Salamanca and receive the **student card** (which allows access to university services, such as libraries, computer rooms or the university digital platform).

### Learning Agreement:

The University of Salamanca **does not require the Learning Agreement** prior to the beginning of the Erasmus stay, so it can be agreed with the corresponding International Departmental Coordinator **after the student's arrival in Salamanca**. In the event that the home university requires this document prior to the student's departure, it will have to be sent for approval and signature to the corresponding **International Departmental Coordinator**. There is not an Institutional Coordinator at the University of Salamanca; therefore, only Departmental Coordinators can sign these documents. **PLEASE DO NOT SEND LEARNING AGREEMENTS TO THE INTERNATIONAL RELATIONS OFFICE.**
